

The World's in Our Hands

What were you focusing on in your learning? (Big Idea, Key Concepts, Big Task)

* Beliefs

* Culture

* Identity

What have we learnt?

- * There are a lot of different beliefs.
- * Countries have different identity.
- * There are different beliefs for different cultures and identities

What was your process for your learning?

- * We first had a hook-in day to hook us in to the topic
- * Then we had time with other classes to learn about a country of our choice.
- * We learnt about each of the key concepts, and they are: beliefs, culture and identity.
- * We then learnt about our own identity.
- * We also learnt about the different cultures in different countries.

What was your process for your learning?

- * Then we thought about what we believe in.
- * After that we got to pick our countries to do research on and we could do it with a buddy or buy ourselves.
- * Then we thought out a timeline for steps until we could do our itinerary.
- * Then on ical we mapped out a couple of weeks of a trip to our country.
- * Then we made the documentary/multimedia presentation.

Share some key facts/learning that stands for you! Gemma

China

- * China has the biggest population in the world.
- * the great wall of china can be seen from space.
- * the length of the great wall of china is as long as wellington to cape reinga twice.
- * Beijing is in china and held 2008 olympic games.
- * elephant trunk hill got it's name because it look's like an elephant drinking water
